Dear Club,
Last summer I had the hottest holiday of my life – and I mean hot in both senses of the word! It was hot because we had beautiful sunshine in the Mediterranean, and also because I had the best lesbian sex of my life while I was there!

Having recently lost my job, I'd received a good redundancy package, so I'd decided to cheer myself up with a wonderful vacation in the sun. I found a great offer to Malta, and off I went. The hotel I was supposed to be staying at had overbooked, and so I was offered alternative accommodation. That's how I came to be rehoused in a magnificent villa all to myself – at least at first.

The first day or two, I just chilled. With no one around, I took the chance to get an all-over tan. It was after lunch on the second day, as I napped in the heat on a sun lounger with everything on show, that I was woken up by the sound of gentle footsteps. I opened my eyes to see a stunning blonde, blushing bright red as she realised I was naked, and sun-kissed brown all the way down.

Her name was Annika, and she was a Swede, so her blonde hair was natural, as I later discovered. After her initial embarrassment, she laughed and explained she'd been sent by the hotel, and they'd put us together as the villa had two bedrooms. Well, it turned out we only used one…

While Annika briefly went to put her stuff indoors, I took the time to put a robe on. On returning to enjoy the sun, Annika looked disappointed, and told me not to cover up on her part. In her sexy accent she said it was a shame to conceal my gorgeous body, so I tossed the robe aside. Smiling, Annika removed her own bikini, and asked if I'd rub her sun cream on. I've never ogled another woman's boobs before, but this was something very special. I knew then that this was going to be a very, very different holiday indeed.

I squirted the cold cream onto Annika's back, making her shriek, then gently rubbed it into her soft, fair skin. As I rubbed, she turned over, so before I knew it I had my hands on her fabulous tits. Well, they needed sun cream too, I thought!

The tiled patio we were on, next to the pool, was surrounded by lush vegetation, and as we were unlikely to be seen by anyone, we both went for it. I kissed her, pushing my tongue between her full lips, squeezing her firm tits with both hands, and loving the feel of her skin against mine. That felt almost enough alone to make me cum, given time.

Annika's tongue then explored my mouth, and her fingertips made me gasp as she ran them over the insides of my thighs. Truth be told, I think I'd been ready for her fingers since I

LOVIN' LOVATO!

Dear Club,
I know a lot of my fellow readers – well, fellow men in general – are tit men, but I had to write to say I sincerely appreciate your continued efforts on behalf of men like myself who like the more petite figure. There's been a shift towards big boobs over the last 20 years, mostly due to surgery, but my heart leaps when I see a girl like Anna Lovato (*Club* 39/7). She's got the tight body we've come to know and love through *Club*, but instead of some plastic appendages she's got an all-natural mouthful. And after all, if it won't fit in your mouth or hands, it's a waste!
Charlie, Chester

Yes, Anna is a wonderful discovery – and English to boot. We're strictly on the fence about boobs, however, and like to give you fellas the best of all worlds in Club. Big tits, small tits, three tits – we love 'em all!

GLANDSTAND!

Dear Club,
I'm no sports fanatic, just a man who dips his toe in from time to time, and what puts me off about most sports writing is that it seems like a boy's club. Every paper is full of columnists banging on about the same stuff – Capello's system, Twenty20 is killing cricket and so on – it doesn't matter what paper you buy, it's all the same. Which is my roundabout way of saying how much I'm enjoying your *World of Spurt* column – fact-filled idiot's guides perfect for someone like me, rather than tedious opinion-fests. Oh, and the occasional naked picture helps as well…
Al, Chelmsford

We'll pass your appreciation straight on to our sports buff Matt Loxham, as soon as he's back from researching ladies volleyball in Brazil…

picked up the sun cream, and sure enough, she slid two in with no resistance as I straddled her sun lounger and opened my cunt wide. Leaning forward, she was able to suck my nipples as she finger-fucked me. She eventually worked three fingers in, curved them up toward my bellybutton, looking for my G-spot. When she found it, oh my god! Any neighbours might not have been able to see us, but I bet they could hear my orgasms! I rattled off three climaxes in quick succession until I could take no more.

Easing myself off Annika's hand, I rubbed the sun cream off her breasts before sucking her nipples and easing her fanny lips apart to take two of my fingers, which I'd made into a pistol shape. Annika opened up nicely for me, and I fucked her as I flicked my tongue lazily over her clitoris. She had a good-sized clit, which I sucked between my lips, forcing more blood into it to make it hyper-sensitive.

She loved that, of course, and squirted all over my lips when she came. I'd never been with a squirter before – well, I'd never been with a woman before! – and this was a real treat for me. The rest of the holiday just flew by as the two of us explored each other's body – and we've both booked already for next year, too!

PUNCHSPUNK! ♣

Allison is definitely a knockout...

Allison might look she could rule the lightweight division for years, unifying the titles in the process, but she hasn't actually stepped inside a ring in anger.

"I'm working up to it," the pretty pugilist tells *Club*. "I've been training for a while, and I've just started sparring."

Does that mean shopping in your local Spar?

"Listen, don't get lippy. I might not be a heavyweight, but I reckon I could run rings around you."

What, just because we're doughy, out-of-shape journos?

"Exactly."

But we've got a secret weapon. We'll just play rope-a-dope until your time of the month comes along, and then we'll pounce.

"Right. In the ring. Now."

Seconds out... ♣

SUNNY-STROKE!

Slurp on some Sunny delight...

SUNNY LEONE

A ridiculously fit porn babe who plays *World of Warcraft* and watches *The Simpsons*? Why isn't Sunny Leone married to us? The Canadian star, making major moves ever since leaving her exclusive contract with Vivid, opens up to Emma Edwards...

Birth Date: May 13
Hometown: Ontario, Canada
Height: 5'4"
Weight: 115 lbs.
Measurements: 34C-24-34

Forgive us for staring at your amazing breasts. They look dynamite and have settled in quite nicely!
Do you like my new boobs? I've always wanted them and had been seriously contemplating getting them for the years. I hesitated because I've seen so many botched boob jobs in the adult industry and I didn't want that to happen to me. I waited until I stopped growing naturally at age 25 then decided to go for it, turning my 34B cup to a full 34C and I love them! I couldn't be happier with the result. Plus, even though my nipples have always been sensitive, since I got my boob job their sensitivity has heightened. They feel amazing and get hard all the time. Literally if the wind blows and glides over my nipples, I'll get a tickle. The slightest touch gets me going. I love my nipples now more than ever before.

What else turns you on?
Sexual experience turns me on. I love knowing that the guy I'm about to have sex with knows exactly what he's doing. Then it becomes a fun little guessing game for me, anticipating the different ways he's going to fuck me and make me cum. I imagine the twisted new positions he'll arrange me in, knowing I'm about to be satisfied. I also want a man that is physically fit and can keep up with me. I love men's bodies, licking them, riding them, touching them. So a nice body is a must.

Are you wilder on or off screen?
I'm wild when I'm having sex either way. It doesn't matter if a camera is present or not. Once I set my sights on a man and am ready to give myself to him, he better be prepared. I'm coming at him at full force and will not hold back. It's the same for girls too!

So tell us, how do you prefer cocks?
An average size cock is fine with me, although a solid eight inches would make me a very happy lady. I don't perform blowjobs that often because I just like to get into it, but when I do, I like to get the cock wet with lots of spit and make good use of my hands. I spiral them up and down the shaft while I twist and suck the head. When the pre-cum starts to dribble I lick the sides like I'm lapping up a melting ice cream cone. I've been told I have excellent technique.

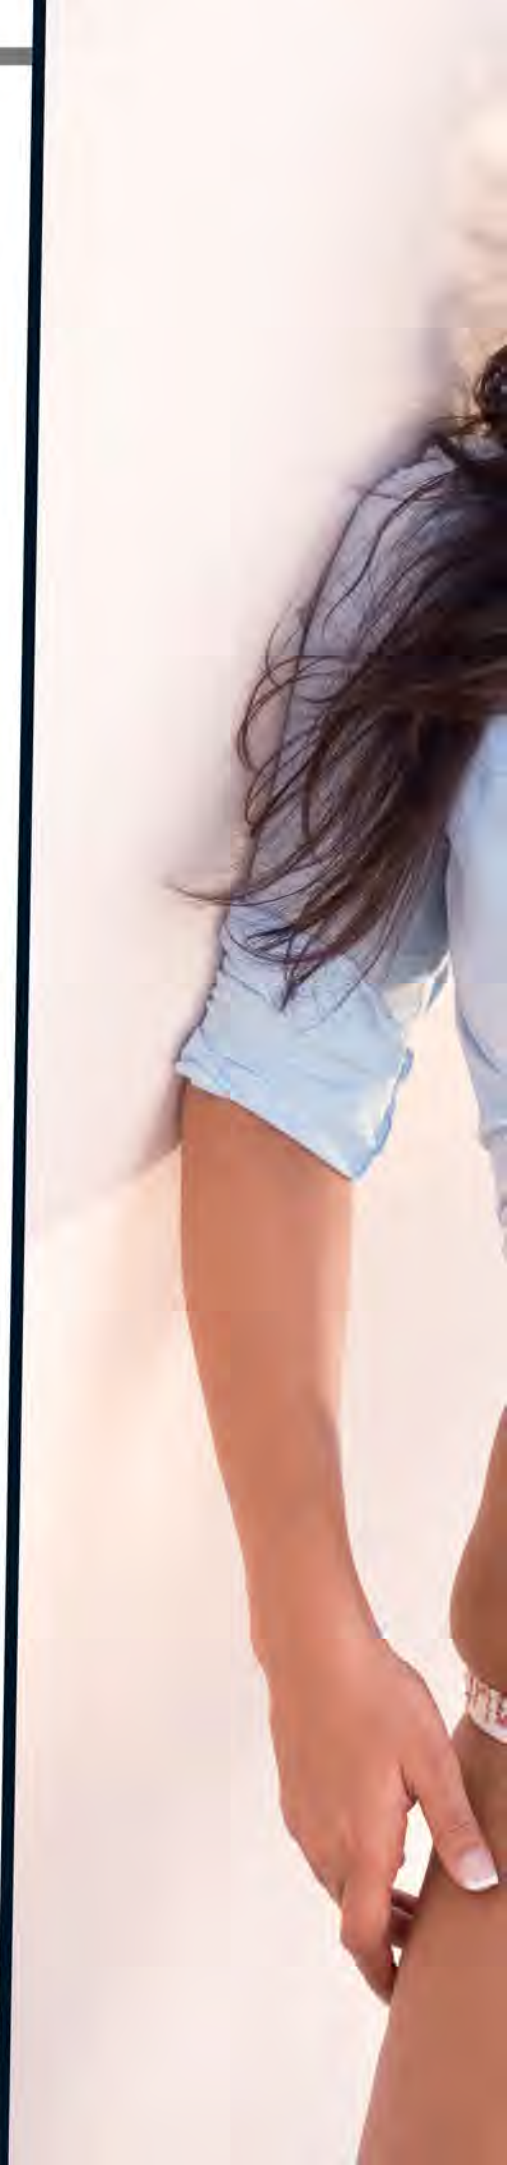
So how sexual a person are you?
Sex at least once a day is a must! My first sexual experience ever was with a woman. She was phenomenal and got me hooked and now I'm totally bisexual! I love masturbating and fuck myself every day. My favourite is a toy called the bullet and it takes a huge nine-volt battery.

What's the best way for a person to get you off?
If it's the right person and I am really into them then it is extremely easy to make me cum. The best way to go me off is to fuck me hard and fuck me fast! I'm lucky because I'm able to reach orgasm from clitoral stimulation and from deep within. I can squirt too, but I didn't know I could until just recently. It feels different from a regular orgasm. It's more intense and I like the sensation much better. Doggie is one of the only positions that allows me to have squirting orgasms, so of course I love it.

Are you quiet or a noisy fucker?
I'm noisy during sex and am very vocal. I'll shout out all the things I like that are being done to me and the things I want more of. If it's feeling good and you are rubbing me the right way, believe me, you'll know it. I love communicating during sex. All the nasty talk heightens my experience.

Are you a voyeur as well?
Yes, I love watching people have sex in front of me, provided they're hot. I like people watching me. It turns me on. I don't have a lot of time to watch porn but sometimes I catch erotica online. I usually don't choose dialogue intensive movies because I don't care to hear them talk. Girl on girl and blowjob movies are my favourite and always win out. Anything starring Sandee Westgate, Aria Giovanni or Jenna Jameson would be good picks for me.

Do you have a favourite sex scene that you've performed in?
My favourite sex scene of all time happened



HAWAII

with Daisy Marie in a Vivid movie called *Female Gardener*. In that scene, we had perfect sexual chemistry and had a great time fucking each other. She's just so beautiful and I adore her personality. There is one part of the movie that was so hot, sexy, and out of control, Daisy lost her mind and screamed out, "Shove another toy in me!" Yeah, that girl is hot!

We certainly agree with you on that. Who else is a favourite?
Monique Alexander is always a lot of fun. We are friends on and off camera. We like to make out and mess around with one another a lot. You know something? I think I need more sex!

We agree again! In your opinion, what is good sex?
That's easy – sex that makes me cum! Good communication and a comfort level that allows you to explore new sexual desires and fantasies also add to a great experience.

So tell us about some of your deepest sexual desires and fantasies.
I like my feet sucked, my hair pulled and spankings. Being tied up is another fantasy I've yet to experience. Dominant and submissive roles also turn me on; I prefer being submissive with men and dominant with women. Really, anything that leads to rough sex is good for me. I like to walk away knowing that I've been fucked!

> "Rough sex is good for me. I like to walk away knowing that I've been fucked!"

And what do you think Sunny Leone is best at sexually?
I'm a master seducer. If I'm out and set my sights on a person, I'll lure them in by teasing them with my eyes and by using body language that can't be ignored. It always works. Honestly speaking, it's not hard to go out and find somebody to have sex with. What is difficult is going out and finding someone you can have an intelligent conversation with.

What's the most fun you've ever had with your clothes on?
I had a fabulous time during the Vivid Comedy Tour in Missouri. We toured around with the comedians and I literally laughed my ass off for five days straight. Since all of us are complete attention whores, we all had the time of our lives. Laughter is terrific medicine.

Are you into spontaneous sex?
Oh, that's every day! I have spontaneous sex on a regular basis. I like the element of surprise. Most people think I'm joking when I blurt out sexual requests, but I mean what I say. This usually leads to bringing hot girls home for my partner and me to enjoy together. A while back, after the XBIZ show, I found myself in the hotel pool with a hot girl. We started making out like animals and I invited her up to my room. As soon as we got inside, we mauled each other and had hot lesbian sex all over the room. It was intense and so erotic. That was a very good day!

And when you're not having sex, if ever, how do you enjoy spending your free time?
I love feature dancing and the opportunity to meet my fans. I use the old school approach and have elaborate costumes that are custom made for my body. I always have fun when I wear my Little Red Riding Hood costume or my police girl uniform. When I'm home, I go wake boarding. I also enjoy reading and catching up on all the television shows I've missed or I take time to curl up with a good movie. Not many people know I'm a painter and I love to create bright, abstract art using acrylic paint on canvas. I usually give my paintings away as gifts to my friends because I'm not confident enough yet with my talent to sell my work, but perhaps one day they will be available for purchase.

What do you think is the best thing and worst thing about being a porn star?
The best thing for me so far is all the facets of the industry that I've had the chance to be a part of. I've been a model, have a successful, ongoing website, and get to be a performer in front of the camera. Without a doubt, I have the best job in the world! I get to have sex with the most beautiful people imaginable and get paid for it. The worst part of the industry for me is how tired I get from traveling all the time. I miss my family, friends, and animals. My cat misses me so much that she bombards me with all of her toys when I walk through the door.

What makes you unique?
My Indian heritage and exotic look helps to make me unique. My culture isn't represented all that often in porn, so it's nice to represent the Indian culture. Also, my movies are special because I put my heart into them. I have sex for a living because I love it; my goal is to have great sex and to get off. Life couldn't get any better than this right now!

How did SunLust Pictures come to fruition?
At first, my partner Daniel Weber and I were approached by a few different people when we decided to build this company. Soon we decided to do it on our own and start our

company as a team. We then approached Steven Hirsch of Vivid with our idea and asked him if he would distribute our product. He was very positive from the start and thought it was a great idea. He said, "Let's do it!" So now, our United States distribution is handled by Vivid, and my partner and I handle our international distribution.

Are you still contracted to Vivid Entertainment Group?
Yes, I am still a Vivid girl but don't have the same obligations the other Vivid girls have.

Do you consider SunLust Pictures to be the next phase of your career?
Absolutely! It's something that I didn't give much thought to until I met my partner. The more we thought about it, the more it seemed like a great and profitable idea. I have always been a very strong, independent businesswoman. I've successfully run my own website, handle my own bookings, and have managed my career on my own from the start. Owning my own production company is definitely something I am capable of doing. I never dreamed of taking it to the level that it is at now though.

How many projects has SunLust created so far?
I believe we've done about seven or eight movies over the last three months. We have new titles in development as we speak. We continue producing and growing, which is so much fun. As it stands now, we are producing and releasing two to three titles per month.

What is the latest project you are working on for SunLust?
It's a feature called *Gia: Portrait of a Porn Star*. It's a tale of a girl who goes through a career in the adult industry. It chronicles the start of her career, all the way to the end of her life. It's loosely inspired by the movie *Gia*, starring Angelina Jolie, as far as the visual style goes. Our story is very different. I do hope the audience falls in love with our main character though. I've taken elements of the adult industry that I've seen or heard of during my ten-year career and used them to help create this movie. I will play the starring role of Gia, and Tori Black will play my girlfriend. I'm actually quite excited to capture Tori's natural beauty and her acting abilities in this project. Tori's a real star!

Have you ever starred in a Bollywood type movie?
Yes, I have. The movie I worked on was called *Pirate's Blood*. The experience was amazing. It really felt great to shoot something outside of the adult industry. It was also fun playing a role that didn't require me to be a porn star.

As a way of paying homage to your Indian culture, would you ever try to recreate a Bollywood type movie through SunLust Pictures?
That is a great question and one I've never thought of before. If anything, I would love to create what would be considered 'socially acceptable' R-Rated material, vignette type stuff to be released in India. I would love for it to be shown through Pay Per View or cable channels. You've given me something to think about, thanks!

How does the Indian community treat you?
In the Indian community, I am very respected. My response is very positive. I've already jumped over the hurdle of being a girl in adult since I've been in the industry for so long. People accept me just fine, thankfully. I've been told I am famous in India, although I wouldn't really know if that is true firsthand. I think I might be a little scared to do an event there. You never know what kind of fanatics may be running towards you.

Why will you always consider yourself a 'Vivid Girl'?
Vivid is my family. They are such a great and confident company that doesn't object to one of their stars or contract girls branching out on their own. I remain a part of the family while having the opportunity to expand my career as a businessperson. They are so supportive of me. Our love for one another runs very deep. I don't know many girls who are able to do it all, are happy while doing it, and are making money in the process. They help me out every step of the way and offer lots of free advice. There are no secrets with Vivid. I love them more than they will ever know. I wear my Vivid necklace with pride.

Tell us about some of your mainstream success.
I've had the privilege of working on so many different types of projects. I've been on Howard Stern a bunch of times, have appeared on the E Channel, hosted events at the Sundance Film festival, MTV, as well as several other projects. I've even done some work for the VMAs, which was amazing. Each year I'm invited to do many fun events. My life has been so blessed that at times I just want to pinch myself.

CLUB'S ROUGH GUIDE TO...

THE TOUR DE FRANCE

IT'S HARD TO FOLLOW, INVOLVES COMPLICATED TACTICS, AND FEATURES LOTS OF PEOPLE WITH DIFFICULT TO SPELL NAMES. WILL MATT LOXHAM BE ABLE TO UNRAVEL THE MYSTERIES OF THE TOUR DE FRANCE?

HISTORY

Nowadays it's one of the toughest sporting challenges on the planet, featuring almost 200 riders subjecting themselves to three weeks of torture over roughly 2,200 miles and 21 gruelling stages, but the Tour De France had much humbler beginnings.

First contested over six stages in 1903, the inaugural tour initially only attracted 15 entries, with many riders put off by the proposed schedule, which involved cycling through the night and into the afternoon, with one rest day before they had to set off again. And all this for a full five weeks! It's like *Club* on deadline week.

Ultimately, however, the itinerary was shortened to 19 days and around 60 riders took part. For the record, the Italian Maurice Garin stole the spoils.

Blighted by cheating – some riders took short cuts and others were even beaten up by rival fans – the second race was nearly the very last, with the crowd's passion for the event regularly brimming over and ruining it as a purely sporting occasion.

Changes were made, such as the stages being held during daylight hours to both prevent cheating [how well has that worked? –Ed] and to stop the supporters attacking the cyclists – as if the challenge wasn't tough enough on its own without getting a kicking into the bargain!

As a result, the Tour De France survived and the race began evolving. The number of stages increased, as did the number of participants. Legends were made, such as the tough Frenchman Lucien Petit-Breton, who was the first rider to win the race twice, back-to-back, in 1907 and 1908, and Belgium's Philippe Thys, who triumphed on three occasions.

The Tour De France became a test that created superheroes, such was its challenge to powers of endurance and mental and physical determination.

Jacques Anquetil was the first rider to win the race five times, followed by Belgian Eddy Merckx, France's Bernard Hinault, the Spaniard Miguel Indurain, and, most recently, the American Lance Armstrong.

Never mind who gets to wear the Yellow Jersey, awarded to the current race leader on least time taken over the completed stages, the Green Jersey, given to the best sprinter, or the Polka Dot Jersey, the prized possession of the King of the Mountains, whoever completes the course in 2010 for us deserves a bloody medal. The winner, on the other hand, will become a legend.

LEGENDS

EDDY MERCKX

Some call him 'the most accomplished rider that cycling has ever known', others simply call him The Cannibal – not because he ate his rivals, but because of his appetite for victory – but the one name that everyone seems to agree on when it comes to Belgian pedal-pusher Eddy Merckx is 'Cycling Legend'.

He won the Tour De France five times between 1969 and 1974, and the only reason he didn't win in 1973 was because he was asked not to take part because of increasing French fan hostility towards him; they were sick of the mercurial Belgian winning their race, and resented his dominance of the sport. Not that the French are bad losers or anything…

MIGUEL INDURAIN

Like Merckx, Indurain also won the Tour De France on five occasions, but earns his place in the history books on the back of being the first rider to win them consecutively.

A powerhouse on the pedals, 'Big Mig' as he was nicknamed, because of his hulking physical presence, would hammer the time-trials in order to create huge leads and then consolidate in the mountains, earning a reputation as one of the best 'against the clock' cyclists ever to grace the sport.

Indurain dominated the Tour De France between 1991 and 1995 as part of the Banesto team, and might well have won it in 1996 had he not been struck down by bronchitis during the early stages.

LANCE ARMSTRONG

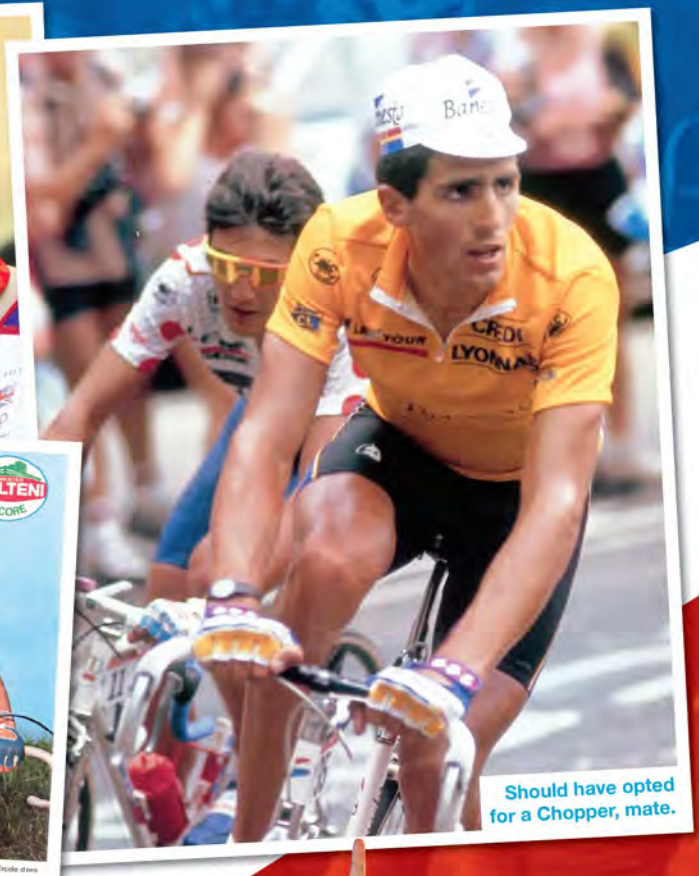
After seven wins and counting – Armstrong is amongst the favourites for this year's race – the man they refer to simply as The Boss has established himself as the most successful rider ever to take part in the Tour De France. Whether he's the greatest of all time is the subject of much debate within the sport, but there's no denying that his achievements are bordering on the superhuman.

Armstrong was diagnosed with testicular cancer in 1996, and when doctors found that it had spread to his lungs, abdomen and brain, they gave him a 40% chance of survival.

Unbelievably, in 1999 he won his first Tour De France by over seven minutes, and followed up by winning the next six races just for good measure.

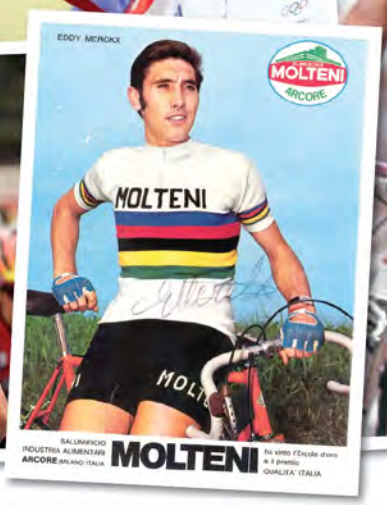
Although he 'retired' in 2005 after his seventh consecutive Tour win, he returned to finish third in 2009 and has confirmed that he will be taking part in 2010 despite continuing controversy.

It's made of chocolate, Bradley.



Should have opted for a Chopper, mate.

We can all ride bikes no-handed, show-off.



BRADLEY WIGGINS

He's known as a British track cycling hero with two bronzes, one silver and three golds to his name over three Olympic games, but over the years Bradley Wiggins has also been building somewhat of a reputation for himself in the Tour De France, culminating in a solid 4th place in 2009 with the Garmin-Slipstream team, which equalled the best ever performance in the race by a Brit (We won't mention that he was born in Belgium).

Now with the British-based Team Sky, much is expected from Wiggins in 2010, although a disappointing performance in the build-up race to the Tour, the Giro d'Italia, has succeeded in tempering optimism for a first ever homegrown winner of the Tour De France.

MARK CAVENDISH

The 'Manx Missile' first sprinted his way onto the Tour De France scene in 2008, when he won four stages, an unprecedented feat for a British cyclist. Last year, he trumped his own achievement, bagging six stages, including the final sprint down the Champs-Elysees.

His self-confessed lack of ability in the mountains ("I'm an old-school sprinter. I can't climb a mountain, but if I'm in front with 200 metres to go then there's nobody who can beat me.") means Cavendish is highly unlikely to ever actually win the Tour De France, although his team, HTC-Columbia, not to mention the British and Manx cycling fans, will be expecting much from Cavendish on the flat.

TOUR DE FRANCE 2010

Although it's difficult to describe watching hour after hour of people cycling up and down hills for three weeks as thrilling, this year's Tour De France is all set to be a fascinating affair, and for the first time in years there's actually an outside chance of a British winner.

Last year's victor, Spain's Alberto Contador, is the favourite, a mountain specialist and a gritty competitor who will be tough to catch on the climbs. His main rival for the Yellow Jersey is Luxembourg's Andy Schleck, who was runner-up last year behind Contador. Whether he can usurp his conqueror of 2009 will all depend on his ability to go toe-to-toe with him throughout the mountain stages, which would be no mean feat for any of this year's riders.

And that includes the modern day superman, Lance Armstrong, who will need to draw on all his experience to top the podium come the 25th of July in Paris. To write such a cycling legend off would be foolhardy, even at the ripe old age of 38, and Armstrong's famous ongoing spat with Contador might just drive him on. Either that or he'll be knackered after five stages.

British fans should definitely have something to cheer about with the combined efforts of Mark Cavendish and Bradley Wiggins. The Manx Missile is devastating in the sprints and last year's strong showing from Wiggins gives much hope for the 'Belgian-born, no but he's English really honestly because he was raised in London', cycling superstar.

So tune in, relax, and prepare yourselves for the thrills and spills of one of the most gruelling and demanding sporting events in the world. And don't blame us if you get addicted, or very, very confused… ♣

Sasha's Secrets

Drum roll... Ta-daa! Meet *Club International's* new regular girl, Brit sensation Sasha. Sasha will be dressing up and then undressing very quickly for *Club* every month – so let her know what you want her to wear and what you don't want her to wear. Just write to her, damn it, she's desperate to read your dirty letters, and Sasha wants to share her secrets too...

Sasha

I was well chuffed when the Editor of *Club* called me up and asked if I'd like to be their new regular girl. I said 'yes' before he'd even finished asking! When I started modelling, *Club* was the magazine I was aiming to appear in, as it's famous with all the girls for having the world's hottest women – I know I play with my pussy whenever I read it.

To follow in the footsteps of Sandy and Stella (hmm, must be something about the letter 'S') is a dream come true, and I want to make sure you guys wank yourselves crazy over my pictures. So it'd help if you wrote in to tell me exactly what you want me to do for you. Let yourself go, I'm very broadminded... ♣

JOCKIN' OFF!

Chloe explains the off-side rule to us...

Chloe, making her *Club* debut, has been watching the World Cup avidly. So what? Well, she's an American. Go figure!

"I think you'll find that American women are more into soccer than American guys are. They're too much into their dumb jock sports to appreciate the beautiful game."

Keep going...

"And there are thousands of female soccer teams over here. And don't forget that the last World Cup we hosted was the best attended, the highest average attendances, and it was only a 24 team cup!"

Jeez, you're a real statto.

"I reckon I could give you British 'footie' geeks a run for your money. In fact, I love you Brits so much for inventing soccer, I'm coming over for a sexy game of 1-a-side..." ♣

Let us pray for the dearly departed guzzlers of cum...

No. 10 – Mary Millington

In the 1970s, if you had a working adult dick you'd have wanked it at Mary Millington at some point. She was to racy movies in her day what the likes of Jenna Jameson and Tera Patrick are today – a public, almost respectable face to a business that is sometimes a little seedy (and all the better for being so). Born Mary Ruth Quilter, in the late 1960s she turned to adult modelling in order to help pay for her mother's medical bills. She started appearing in hardcore 'stag loops' and winning awards throughout Europe. She was a fresh-faced actress who men flocked to catch a glimpse of in action.

As the seventies got underway, Mary (who took the surname Millington) appeared in popular British softcore mags, including *Men Only*, our sister publication. Around this time the burgeoning UK softcore scene picked up on Mary's popularity, and she shot to fame by appearing in the likes of *Come Play With Me*, which proudly continued the British tradition of smut/unfunny comedy. No longer needing to do hardcore, Millington dined out on her fame (although was still reputedly an escort all the while), and ran a sex shop. A small appearance in the Sex Pistols movie *The Great Rock 'n' Roll Swindle* was to be Mary's final appearance on film, however, as in 1980, aged 33, Millington took a deliberate overdose of paracetamol and died at home. Blaming constant raids by the police on her sex shop, the tax man, and her ongoing depression, the notes she left behind painted a sad picture, one of the underside of an apparently carefree life. Mary and her lavishly hairy fanny will be missed.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Helena Christensen

If you'd told me a few years ago that one day my penis wouldn't harden at the sight of one-time supermodel Helena Christensen I would have punched you square in the mouth. But alas, my punch would have been a mistake, for a recent trawl for pictures of the Danish beauty on Google Images reveals that the woman who quite literally gave me hundreds of wet dreams throughout the 1990s (in my recurring dreams she was my wife and I made her do all kinds of things to me with her boobs, bum and twat) is now starting to look a little, well, haggard is a word I'd use.

Granted, she scrubs up well for photo-shoots, and her boobs are still full (though they'll have lost the bounce they had back in the days when she was strutting catwalks) but there's probably a bit of Photoshop going on there too, if these pics of her from day to day life are anything to go by. I always feel guilty writing this column cos I know time doesn't do anything for anyone (and I'm fat, pasty proof of that) but there's something so tragic about a once-beautiful babe no longer cutting it. That said, if she was to phone me and ask to come over and suck my cock and balls until I popped in her eye, I'd probably say yes.

Fancy boxing Helena?

RESPECTABALLS

WHEN PORN STARS HIT THE MAINSTREAM...

Let's face it, Lindsay Lohan would have been a porn star if she hadn't got her big break early on, wouldn't she? She's got the looks and attitude for it, and we'd all like to see her getting spurted over by big spunky dicks. Well, I can't guarantee you'll get to see all that in LiLo's next movie, but it might be as close as it gets till she releases her inevitable home-made sex tape when her career hits the doldrums in a few years' time. *Inferno* is the story of Linda Lovelace, and Lohan is playing the cock-swallowing starlet in this gritty biopic. Its director, Matthew Wilder, says she'll, "blow people's minds" when they see her in this role, adding that audiences are, "not going to see this whacked-out person... They're going to see the artist." Admittedly, it's not our minds we like to see Lindsay blowing, and we're pretty sure she already did a bit of coming out when she shacked up with Mark Ronson's lezzy sis, but we're willing to put our prejudices aside and see if the *Mean Girls* star can pull off this challenging (and filthy) role. And crossing our fingers there's at least one graphic deep throat scene in it – wouldn't be fair otherwise.

Lohan: Cocks not pictured.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Blonde boob-owner Phoenix Marie is an avid Tweeter, and a great one to follow for updates on hardcore scenes she's appearing in and her general lovelife. There's something to be said for a girl who's about to get a stranger's dick plugged up her sun-don't-shinehole and just can't wait to share the news with her thousands of followers.

She's a big fan of British guys, likes to use the word 'wanker' a lot, and takes pictures of herself on a very regular basis. This makes her one of the best ladies in the world, in my humble (but absolutely correct) opinion. She's also got a wicked sense of humour about the porn biz, happy to pose with packets of Imodium whilst making gags about doing anal, and often lets us all in on the particulars of her cravings for cock. So let's take a look at some of her exclamation mark-coated tweets from the last few months...

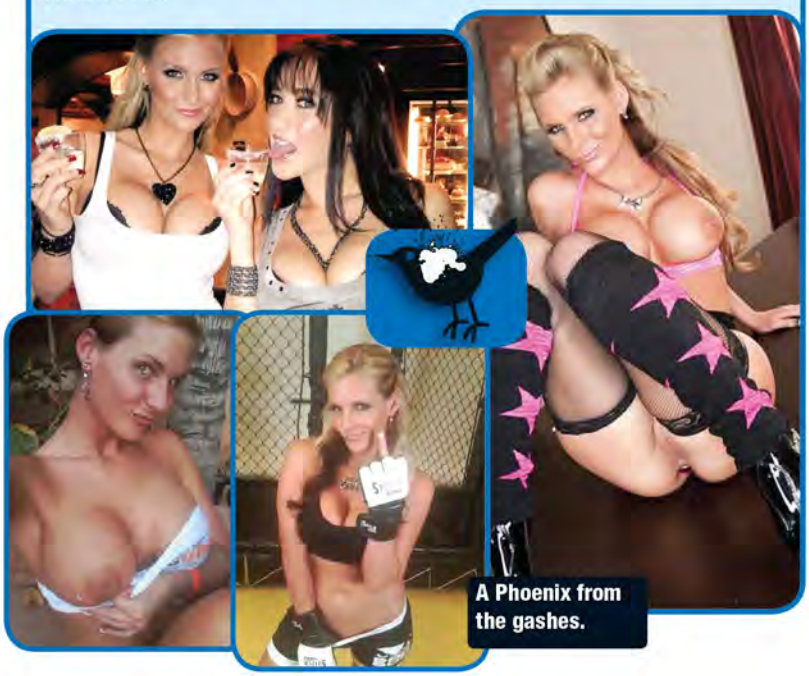
"Day 12 of NO Sex.... WTF!! I Need To Just Let It Finally GO!! NEVER Look Back Again To Be TRULY Be Happy!! Tonight... I will Get Some!!"

"I Love My Life Right Now!! Ps... meeting the English guy @Vanity tonight... He's a HOTTIE From get this.. West Kensington Lmfao! WANKER!! =p"

"I Apologize for the graphic nature of that last tweet, I'm Horny as Fuck & Anal is an option! Thank You!"

"Ps... After I Finish My Anal Scene Today... I am doing a Live Cam for My Site!! Wonder If I'll Still Be Gaping??? Lmfao Love You Guys!!"

She's opinionated, sometimes quite witty and more than happy to engage in conversations with her fans on Twitter, so get your fat ass over to *www.twitter.com/PMarizzle* and follow her at once. And remember, she likes to talk dirty so feel free to be as saucy as you like. I know I did!



A Phoenix from the gashes.

Smoo-ray

HD T&A – THE WAY GOD INTENDED...

Now that *Lost* is all over on our TV screens, it's time to revisit the show from the very start in the magnificence of Blu-ray and finally work out what the fuck was going on. For as well as being the first show since *Baywatch* to guarantee most of its female stars in bikinis every week, *Lost* was also an almighty brainfuck. And with the final season coming out on DVD and Blu-ray this October (promising 'revealing' deleted scenes, but alas of the plot kind, not boobies) you might as well get the rest of the seasons and watch it all from the start. Cos that way you get to see Kate (Evangeline Lilly) showing her awesome toned bod in high def and plenty of shots of Sun, Claire, Shannon and even that sexy British posh redhead wallowing about looking all confused in the surf. For a network TV show, *Lost* throws male viewers plenty of bone(r)s throughout. Fuck, if I could be guaranteed washing up on a tropical beach with that lot, I'd endure plummeting 30,000 feet in a fiery metal tube...

PRICKIPEDIA

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

During 30 minutes of active sex, the average person burns approximately 200 calories (so tell your missus to get her ass back from the gym and wrapped around your nob)

Having sex at least once a week can lower a man's risk of heart disease by 30%, stroke by 50%, and diabetes by 40% (not sure if that applies to just blowjobs though)

The average size of an erect penis measures between 5 and 6 inches, while the average size of a flaccid penis is about 3.5 inches (really? REALLY??!?!)

Homosexuality was listed as a mental illness with the American Psychiatric Association until 1973 (well, I think that the people who deny girl-on-girl action are the fucking lunatics)

The average male produces several million new sperm daily. Conversely, a female is born with a finite amount of eggs and will produce no more than that throughout her lifetime (so pray you've got one of the ones with about ten eggs so you don't have to get the snip)

Statistics show that approximately 90% of men and 65% of women masturbate from time to time (I'm doing it right now!)

Oh, you've got an iPhone. Well done you.

Klipsch X10i Headphones

£229.95

www.klipsch.co.uk

See that bloke sat next to you on the train, the music leaking out of his shitty iPod earbuds? He's a twat. Anyone who uses the ear-hurters Apple provides with most of its products is no fan of music. They're tinny, they hurt and they let everyone else hear your awful Stereophonics LP. Klipsch – purveyors of the wonderful iGroove dock – have the answer with their pricy but oh-so-sweet X10i headphones. They have oval ear tips for comfort, based on ear anatomy (sounds elementary, but most earbuds don't bother), and come with a three button microphone and remote system that means they're optimised for use with the iPhone and most other items with the prefix 'i'. What's more, given how fragile most headphones are, these come with a two year warranty. Now all you need is some decent music.

Pros: Comfortable, great sound, great for iPhones.
Cons: Over 200 bar to listen to some MP3's you've ripped at 128kbps?

Guitar Hero Warriors of Rock Wireless Controller

£TBC

www.activision.co.uk

Guitar Hero is a phenomenon, but there was always a sense that it'd be hard to build on the original. Other than adding new peripherals and songs, what's new? Well, at least the soon to drop *Guitar Hero: Warriors of Rock* will be adding a 'quest', a story mode that might not exactly be as immersive as a real adventure game, but at least makes playing solo more palatable. And to further milk the cash cow, they're now giving us a wireless controller that has all essential working parts contained in the neck of the guitar, meaning the wings can be removed and customised. Truly excellent, but you're still not in a real band, doofus.

Pros: Feel slightly cooler than you did before.
Cons: A sense that they're just milking greedy kids and their gullible parents.

Logic 3 LCD ProDock

From £79.99

www.logic3.com

The point of most docks is to get a bigger sound out of your iPod or equivalent. It's never really been about getting a bigger picture out of them. We're still baffled as to why you'd want to – the selling point of the ProDock is that you stick your iPod in one end, and connect it up to your telly. Okay, you might have a bunch of films or telly on your iPod, but once you're feeding your telly with mp4's, you might as well be watching an avi on screen from a DVD player. We're not sure what this replaces, or does better than a DVD player or laptop hooked up to your TV. That said, it's still an effective dock for playing music through a hi-fi, but we're not short of better options in that department.

Pros: Easy to use, lets you watch downloaded content on big screen.
Cons: You can already do that, in better ways. ♣

Jayden shares her titty slickers...

Try to make equine jokes with Jayden and she's not amused. In fact, you could've blamed the tumbleweed that blew past on our gags falling flat, if it hadn't been for the fact that, well, there's tumbleweed out the ying-yang outside Kayden's home.

"I grew up with horses," the 20-year-old tells us, "so I've heard it all. So before you make any jokes about them, I want to see you try and mount one."

Fnarr, fnarr.

"Oh god, I didn't realise you were such children. If I had, I'd never have invited you out here to meet my horses and take photos of my tits. It's the last time!"

Sorry, we're just not stable... ♣

NAME: Charlie **AGE:** 18
FAVE SEX: Me on top!
WHAT'S SHE LIKE? Cute, shy but a litte bit rude too.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I like the fact you give a chance to normal real life girls like me, and it'll be a surprise for my bloke.

WE ASSUME HE'S A CLUB READER.
Not half! He's a few years older than me, and he's been reading it for years. He's got a right stash under his bed.

DO YOU READ THEM?
Funnily enough, I called him disgusting when I first found them, but now I'm more likely to be found wanking over them. I like the letters and the lesbians.

SO YOU'RE BI YOURSELF?
No, I prefer a bit of dick. I like to wank to stuff I haven't done or I'm too scared to do. I love the *Peaches* stories, but I've never done anal. It does sound nice though!

IT IS! DO IT!
Oh, I'll get around to everything eventually – it's a marathon, not a sprint! I'm only 18 and I think it's better to do things when you're ready, that way they're so much nicer. But if you'll have me in *Club* again, I'll come back and tell you all about them! ♣

ALBUM REVIEWS

ARCADE FIRE
The Suburbs (Mercury)
Fancy having your wife in your own mega successful band – imagine the amount of blow jobs you'd have to politely decline. With a few decent tunes to listen to on the way home from work, the Canadian crew's 3rd LP is a mixed bag of indie fingering fun.

IRON MAIDEN
The Final Frontier (EMI)
The world's greatest metal band are still smashin' it up and for everybody who likes sweaty size 16 girls with massive hairy fannies then this will be the sound of heaven. If your Mum likes Iron Maiden then let's face it – she's been shagged a lot.

PROFESSOR GREEN
Alive Till I'm Dead (Virgin)
This boy means business and if you ain't careful then your girlfriend is gonna be shoutin' his name and not yours because these tunes are massive. Imagine Eminem doing Jamie T covers with a little dab of mephedrone and you're in the right ball park.

ORPHAN BOY
Passion, Pain, and Loyalty (Concrete Recordings)
The biggest thing from Cleethorpes since the beach – you cannot help but love this. Classic indie rock with a few Glasvegas-esque tracks. Play loud whilst your girlfriend gets her chops around your nob.

GOLDHAWKS
Trick of Light (Mercury)
Not exactly the most original musicians in the world but if you can make a living out of smoking cigarettes, playing music, and seeing how many 3somes you can clock up in a 6 month time period then who gives a monkey's? The students will love this lot so get down to their gigs and play the game.

LTJ FUCK 'EM

CLUB CHATS TO DRUM 'N' BASS LEGEND LTJ BUKEM...

Where did you grow up?
I was born in Croydon but I didn't spend a lot of time there – I was in a children's home for a while. Then I went to Essex and then up north to Preston. I'm now in Watford.

Do you support The Hornets?
No, I love playing football but I've slowed down because I can't be getting injured and then DJ'ing all weekend – the two don't really go hand in hand and nobody pays me to play football. I've dislocated my shoulder twice, done both my knees and all sorts.

What's the story with the gold tooth?
I lost it when I was 17 playing tennis. Someone lobbed me and I turned round and tripped, smacked my head and cracked my mouth on the ground.

Does Wimbledon give you nightmares?
No, I love playing tennis but I haven't got the time. When you play out 300 times a year you realise you ain't got time for nothing else.

What about fishing?
Fishing! If I had chance to fish I tell you... I've been fishing about 20 years ago. I just sat there and had to be told to shut up every 5 minutes because I was too fidgety.

Were you smoking joints and bevvying?
Joints! I don't smoke joints!

I can smell it in the air!
That must be something in your air, I don't smoke joints!

Do you like women shaven or bushy?
Fuckin' hell, getting a bit personal ain't ya!? It's not an issue. It's not an issue!

Blonde or brunettes?
Girls are like music. They come in all different shapes and sizes and you have to experience to know. You can't discount any type of music because my motto is 'Play it to me and I'll tell you if I like it.' So, at the end of the day, you have to look at ladies in the same way I think.

Ever been in trouble with the Old Bill?
Yeah, when I was a juvenile. I got into some serious bits of bother actually. 'm not too proud of it. I ended up in a detention centre for a few months for doing some things with cars that I shouldn't have been doing. But music saved my life man, definitely.

Where have you been that's wicked?
I love Australia. I do 2 tours a year over there. And Japan too. I love going anywhere, you know what I mean? I love the Eastern Bloc countries; it's an experience. Macedonia and places like that. I hate the travelling part but I love playing to different people and different nationalities, because music is a universal language that anyone can get into.

Ever made yourself a member of the mile high club?
I've had a lady for a long time now – 'course I ain't! Have you seen half the toilets on planes? Why would you want to spend a moment in a British Airways toilet?

The poor man's mile high club?
Enlighten me.

Where you have a wank on a plane.
I don't feel the need to do that! Most of the time on an aeroplane I just sleep. Or play on my laptop – not with myself!

What about food? McDonalds or Mongolian BBQs?
I love a Korean BBQ. It's something you have when you go to Japan or Hawaii. All the stuff comes and you cook it yourself and you get all the spices. I love beef curry from Japan.

How'd you like to be remembered?
As a music lover. That's my buzz at the end of the day. It's what I do.

ON THE GAME

TRANSFORMERS: WAR FOR CYBERTRON

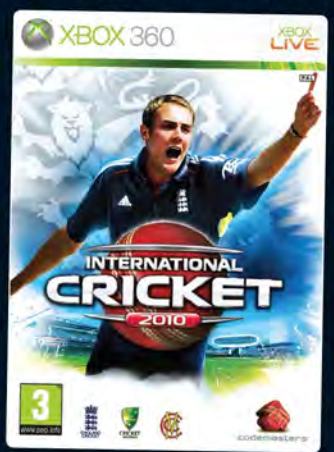
(Activision)
PS3, Xbox 360, Wii, PC, DS
★★★★

While we haven't been terribly blown away by the previous *Transformers* games, we'll give them this – they've been way better than the hideously awful movies they were spawned from. While Michael Bay's restless editing and Shitty LeBoeuf's lifeless acting add up to cinematic dogshit, the games let you play Autobots and Decepticons. What's not to like? *War for Cyberton* is an origin story, a battle for supremacy on their home planet. Like its cinematic equivalent it's noisy and glossy, but unlike it you get a sense of what's actually happening. By stepping back from the narrative of the films, *War for Cybertron* steps up a level to become a serious game.

INTERNATIONAL CRICKET 2010

(Codemasters)
PS3 , Xbox 360
★★★★

Despite us salivating all over the next Ashes, there never seems to be too much excitement about Codemasters' cricket games. Well, we love them. It's a game that has minority appeal in real life and thus is equally niche on consoles, but they've done a great job of combining playability and statistical nerdery. The innovations are great – Power Stick and Action Cam are the latest improvements – while Ian Bishop, Bumble, Warney and Aggers ensure the commentary pisses all over that on *FIFA 2010*. And if you don't know who those people are, this isn't for you.



CRACKDOWN 2

(Microsoft)
Xbox 360
★★★★

The original *Crackdown* was released with little fanfare in the early days of the Xbox 360. But there was a reason Microsoft backed it as – pretty much – a launch title for their nascent console, and it rewarded them with strong sales, critical acclaim and an enthusiastic fan base. Happily, they haven't bled the franchise dry, and it's taken until now for us to get another episode of life in Pacific City. Set 10 years after the original, the City is now in turmoil – well, more turmoil – and you'll find yourself taking on both 'Freaks' and 'The Cell'. As action games replete with levelling up go, this is a doozy. ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

WHO'S THE BOSS?

I'm the assistant to a wealthy businessman, and needless to say while the cat's away, I certainly play. This is exactly what happened last week when he and his wife took an impromptu trip, leaving me in charge of their gated fortress. I immediately popped the top down on their sports car and went out on the prowl in search of fresh pussy to satisfy my insatiable appetite.

My travels led me to a nightclub overflowing with horny girls ready, willing and eager to latch on to men with money. Immediately I spotted the fittest redhead imaginable. She was swaying her bubble bum to the music, driving me crazy with her caramel-coloured eyes. She licked her lips and unbuttoned her blouse, giving me a glimpse of the gorgeous patch of freckles that covered her big natural tits. My cock went into high gear watching her run her hands over her tight stomach and long legs while seductively lifting up her tight satin skirt to show me her smooth-shaven cunt.

"What's your name, darling," I whispered, nestling my lips against her ear when I spoke.

"Faye," she purred, grabbing onto my hips and grinding her greedy crotch right into my rock hard knob. "Let's get out of here," she urged, grabbing me by the tie and leading me out of the club like a dog on a leash.

"I stacked the girls and then took turns slamming my cock into Faye's arsehole and Lindsay's pussy"

The instant she sat in the car I saw a glossy trail of goo sliming up the leather seats. I knew I had this girl signed, sealed and delivered! It didn't take long before Faye had my trousers down and was slurping up mouthfuls of my cock and balls as I drove. Soon she was riding my lap in cowgirl, sliding her drenched beaver over my prick and sticking her tongue down my throat.

When we arrived at the house she went straight to the sofa, happily accepting my tongue inside her arsehole. I spat a wad of saliva into her freckled bung and another across the head of my cock and pushed it inside. Like metal to magnet my cock connected with minimal effort. "That's one elastic arsehole," I groaned, holding her arms above her head and urging her to wrap her legs around my waist. I lifted her up and fucked the hell out of her bum.

Suddenly the door swung open, and I heard a gasp: "What the fuck is this?" It was my boss' wife, Lindsay! I was scared for my job, but not scared enough to stop fucking Faye's arse.

"Well, she is very hot," said the mistress of the house, examining Faye's perfect body and flushed, freckled face. To my surprise she tore off Faye's shirt and began to round her mouth over Faye's extraordinarily puffy nipples, sucking hard until she moaned with pleasure.

When she was finished there she spun around and started grinding her fuck hole into Faye's mouth until it dripped with cream. It was at that moment I knew I wanted a piece of Lindsay's arse as well. "Get over here and let me earn some overtime," I growled, grabbing Lindsay and having her lick my cock as it continued to pound in and out of Faye.

Knowing that my boss's other half was into the groove, I picked her up and stacked her on top of Faye and took turns slamming my cock into Faye's arsehole and Lindsay's pussy. My cock was so fucking hard, continuing to swell as it thrust inside each of them.

Lindsay and Faye eventually climbed down

and grabbed onto my meat in unison to deliver the ultimate blow and stroke session. It had my sword tickling Faye's tonsils and my balls rounding out Lindsay's cheeks. After several minutes of erotic bliss and two fistfuls of hair I knew I was about to cum. I pulled my dick out and splattered my load across Faye's nipples and watched Lindsay lick up every last drop. Instead of losing my job, I got a fat raise!

BUDGET BANGERS!

Money's tight, so my boyfriend Danny threw a really cheap stag do for his best mate. Cheap booze, cheap porn films and two of the cheapest sluts – me and my girlfriend Suzi – as strippers. We'd never done so much as an amateur night before, but we're a couple of wild girls up for a laugh.

We started out in lingerie, me in black, Suzi in pure white – like she looked innocent with her tits spilling out of her bra and tight thong-panties pulling in between her buttocks. We just served beers, getting the boys even more excited than the cumshots they were watching on screen. Then it was showtime. No announcement, no ceremony – we just put on some music and walked into the centre of the floor, Suzi freeing her huge boobs. I grabbed a cold beer from one of the lads and poured it all over them – tits and beer, what more could a guy ask for? Then I licked and sucked it off of her nipples, before following the stream down. Her knickers were soaked, and not just with beer. I yanked them off, throwing them to the groom-to-be, then used my thumbs to part her pussy lips, letting the guys see her pink insides.

She'd shaved her cunt especially for the night, so a little licking got her very sloppy. I let her juices collect in my mouth, then made out with the groom, letting him share the treat. Then it was back to Suzi, this time with me sitting on her face. We ground and lapped away, my wet snatch grinding on my pal's mouth as my tongue burrowed in her hole. Then the groom asked, was it a private party?

Suzi took the hint, crawling out from under me and over to him. She unzipped his jeans, then sucked his entire cock inside of her mouth – I almost thought his balls would disappear too. As she gobbled him, I ate her arse and pussy, then Danny came in behind me and started feeling up my snatch. He beckoned to one of the guys – the nerdy brother of one of his mates – and told him to have fun.

It wasn't the best fuck I've had in my life, but any cock inside my pussy was good right then. He popped pretty quick but another guy was lined up to take over. This one fucked me hard, but I didn't miss a beat – I just kept eating Suzi as she sucked dick. The groom was playing with her tits, making her squeal with pleasure, and soon I felt her cum around my tongue.

Now she was wanking the groom off, who asked her to turn over. I bowed my head to keep on eating her, thrusting my arse back against the crotch behind it. It took me by surprise when I felt the guy claw at my arse cheeks, gripping tight as he spunked too. I'm not even sure who took over – another quick cummer. Danny moved in next but didn't fuck me – he got me to rub my cunt all over Suzi's body, tits, crotch and belly until she was slick with cum.

The groom exploded over me, his hot load hitting my tits, then I slid down till I was cunt-to-cunt with Suzi. We writhed on each other, while

any man still capable joined in a circle jerk above us. It was like a never-ending shower of jizz – one bloke would spurt, then one of his mates would follow, till every ballsac was emptied. "More beer," I demanded, and shook it up champagne style, squirting it over us to fizz up as it hit our spunk-drenched skin. Now Suzi moaned that she hadn't had a dick in her cunt yet. There were soon plenty of volunteers and of course she picked the biggest hunk of meat on display, a real thick prick.

With everyone else distracted, I dragged the groom off into the bedroom. Danny had told me his mate always had the hots for me, so I gave him the works. He'd already been sucked by Suzi, but he wanted to eat my cunt so I blew him too. Then I got on him reverse cowgirl, wetting his prick with a couple dozen strokes in my cunt before taking it in my arse as a finale. When he came, he pulled out and blew his spunk all over my cheeks and crack so he could watch me rub it in.

She continued to rim my arsehole with her tongue and ran her perky tits over the curve of my bum cheeks. When she spun around to give me a sample of her lips, her mouth tasted tangy and salty. It was Kim, the Asian. As I sunk my hands into her long silky hair I felt another warm body glide underneath mine. This girl ran her pearly nipple points against mine and bucked up to connect our twats together. "Que rico," she purred, instantly causing my pussy to gush with liquid. Latina lovely Maria had arrived!

So there I was sucking face with Kim and grinding cunts with Maria. As our pussy milling got more intense I felt the thrill of a hot tongue lapping up my sex drippings, followed by a finger up my arse. Since the finger felt slender I assumed it was Ruth, my top-notch redhead. I became certain of this when I heard the sound of a belt being fastened around her waist and the probing sensation of a plastic strap-on cock sliding through my bumhole like a hot knife through butter.

"Jim lined us up in doggie and popped his cock in and out of us at will"

When the party wound down, Suzi bunked with him to give him his final unmarried screw. Meanwhile Danny owed me big time for entertaining his friends – a charge of three orgasms. All paid with interest and tips before the next morning…

BISEXUAL BAPTISM

I know it's quite trendy and cool these days for girls to claim to be bisexual. Well, that is until you actually get one of them home and discover they couldn't find their way around your pussy if equipped with a flashlight, a compass and a map! I'm a true bisexual girl, loving men and women equally, which means I frequently find myself in interesting situations.

Tired of all the familiar names stored in my mobile phone, I decided to take an ad out in the local newspaper in search of hot new pussy and cock. It read, 'Bi-curious babe in search of a fun time.' It didn't take long until my inbox was practically bursting at the seams with hot sluts and hard studs ready to play with me. I sifted through carefully, selecting a petite but spunky Asian chick named Kim, a lusty Spanish student calling herself Maria, an insanely fierce redhead named Ruth and a guy with the thickest ten-inch cock imaginable.

The game was set. One by one they arrived at my house. There I was naked and blindfolded on my bed with scattered sex toys all around and a note taped to my arse that said, 'No holes barred'. I heard the door open and the clicking of high-heeled shoes against the marble floors. I knew it was a female but couldn't be sure until I felt her warm tongue shove up my bum and a soft sigh escape her lips, "Delicious."

"Take my fat cock, you kinky bitch," she moaned, fucking me hard, eventually switching out to give Maria's pussy a try out as well.

"Oh yeah!" I heard a male voice say

approvingly. It was Jim, sticking his knob into Ruth's bush in doggie style as she continued to wedge her faux cock into me.

"Give me some of that," I pleaded, wanting desperately to feel all ten inches of Jim up my arse. He gave it to me good, stuffing my rump until I yelped, as Ruth strummed his balls. Now Jim lined all of us up in doggie position. He popped his cock in and out of us at will, then moved around to our mouths to get his cock licked clean. He flipped us over into missionary, intertwining our legs to get at our holes from an entirely new angle.

With Ruth's mock-cock still attached and her pussy hole bare, she glided underneath me and plugged my pussy while Jim stayed steady on my arse. Kim chose to suck Jim's balls from behind. Wanting to add a little spice to the mix I took Jim's lead and lined my snatches up in front of me, licking each slit and pleasing their clits with a vibrating wand until my mouth overflowed with girl-gush. After everyone had an orgasmic release I gave all my attention to Jim. I jumped on top of him in cowgirl and gave him the ride of his life until my pussy dribbled with his hot cum. Mission accomplished!

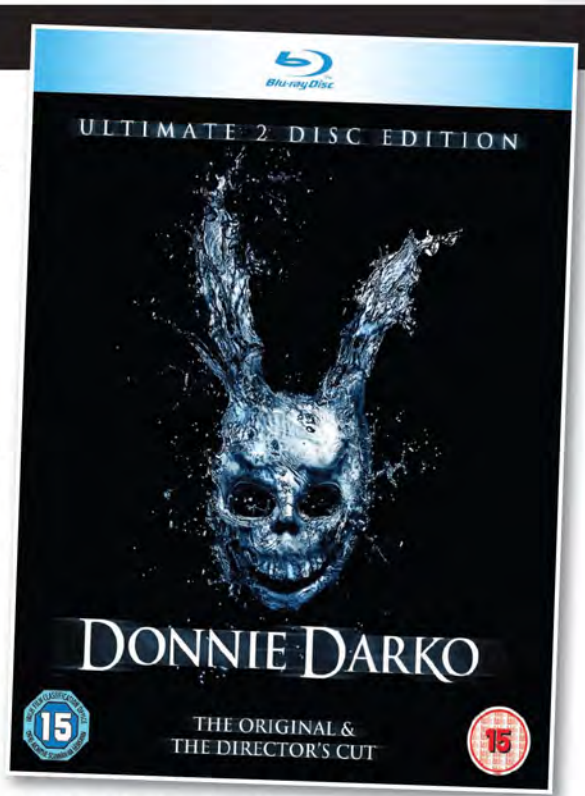
DONNIE DARKO
(METRODOME VIDEO, BLU-RAY £24.99)



Richard Kelly's post-*Donnie Darko* career has been so incredibly patchy – a needless director's cut, the curious mess *Southland Tales* and, more recently, the shabby *The Box* – that it could be tempting to dismiss his debut as just a cult favourite. But it's not, it's a stunningly audacious and entirely successful film, even if its internal logic sometimes seems ready to combust. Jake Gyllenhaal is perfectly cast at the titular 'hero', while some excellent character actors circle around him, Drew Barrymore and Patrick Swayze throwing in scene-stealing work as well. On Blu-ray it's incredibly crisp and vivid, whether it's the director's version or the much superior original cut. Kelly's commentary is the pick of the lavish extras, but this modern classic is already a must have.

Metrodome Video have kindly given us 5 Blu-rays of *Donnie Darko* to give away. To win one, simply email 'Sparklemotion' to *clubint@paulraymond.com* or write to the *Club* address.

PARANOIAC
(HAMMER FILMS, DVD £15.99, BLU-RAY £17.99)

The great Hammer Studios didn't just specialise in monster horror, nor in lesbian vampire exploitation – although they did both those things exceedingly well – and this below-the-radar is an unsettling chiller firmly in the mode of *The Innocents*. Previously unreleased on video or DVD, it starts Oliver Reed as a thuggish brother who plans to have his highly-strung sister Eleanor (Janette Scott) committed once they come into their late parents' inheritance. Eleanor keeps seeing what she takes to be the ghost of their dead brother, and the ramifications ram up the tension in what is a sweaty gothic thriller with a looming performance from Reed. A curio to be enjoyed late at night.

The Girl with the Dragon Tattoo
(Momentum Pictures, DVD £17.99, Blu-ray £24.99)

"GRIPS FROM ELECTRIFYING START TO BREATHLESS FINISH"
the GIRL with the DRAGON TATTOO
BASED ON THE WORLDWIDE BESTSELLER BY STIEG LARSSON
18
16

You can't get on a bus, train or tube these days without seeing at least three people lugging around one of Stieg Larsson's page-turners about Lisbeth Salander. Hollywood adaptations are in the works, but they'll have to go some to beat the three existing Swedish movies on the Millennium trilogy, starring the excellent Noomi Rapace as the unique heroine. *Dragon Tattoo* does take a while to set up the characters, and dumps a couple too but then there's a lot of plot to cram in. Director Niels Arden Oplev doesn't flinch from showing some of the nastier moments, and the Yanks will have to go some to match this sparkling work.

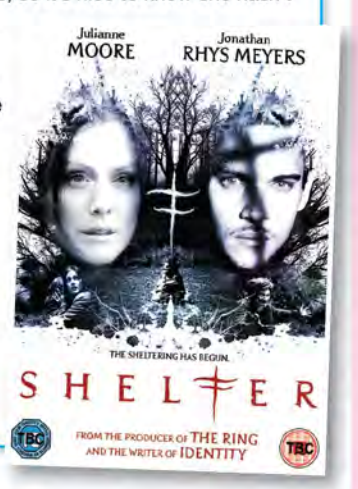
★★★★

The Crazies (Momentum Pictures, DVD £17.99, Blu-ray £24.99)

Timothy Olyphant's career is ace on TV, where he starred in the classic *Deadwood* and now is the lead in the potential classic *Justified*, and a mess on film, where he's in dreck like *Scream 2* and *Hitman*. But things are looking up for him, even if this remake of a George A. Romero horror is minor league. Olyphant is Sheriff David Dutton, trapped in a town beset by crazy, infected lunatics and the military, ganging up with other survivors including his pregnant wife (Radha Mitchell). Yes, it's pretty much a zombie version of *30 Days of Night*, but this is good solid B-movie action.

★★★

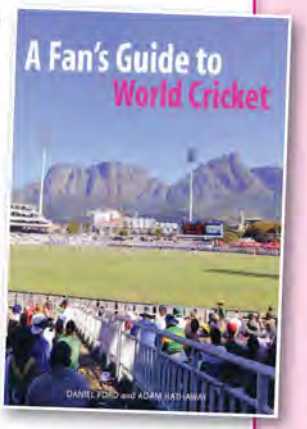
Shelter (Icon Home Entertainment DVD & Blu-ray £17.99)



Fans of *30 Rock* have had to put up with Julianne Moore doing an awful Boston accent in the last couple of series, so it's nice to know she hasn't actually forgotten how to act. She stars here as Dr. Cara Jessup, a forensic psychiatrist who specialises in being an expert witness against pleads of multiple personality disorder in murder cases. Yeah, not exactly high concept. But her beliefs and life are thrown into peril when she takes on the case of Adam (Jonathan Rhys Meyers), a man with a troubled and troubling past. It's well acted, with Moore doing 'anguished' to a previously unknown degree, but we at *Club* still haven't forgiven Rhys Meyers for *Match Point*.

★★★

A Fan's Guide to World Cricket – Daniel Ford & Adam Hathaway (New Holland £14.99)



A brilliantly simple idea – snapshot guides to the world's premier cricket grounds – this is a great mix of the arcane stats cricket fans love – now you too can know the lowest team score at the Zohur Ahmed Chowdhury Stadium – and handy travel info. There's info on the local culture, weather, and things to do when the day's play is at an end – or rained off. It covers 59 grounds, with the top test playing nations covered in details. And Scotland. While it's not exactly pocket-sized, we'll still be cramming this into our luggage the next time we go abroad to catch some of the world's finest sport.

★★★★

10 – Pele (Haynes £18.99)

Pele – world's greatest ever footballer, or world's worst ever Viagra shill? You decide. Subtitled *What makes a Great Player from The Master*, Pele (or his ghost writer) here lists the world's finest attacking players, legends like Maradona, Zico, Baggio, Cruyff, Zidane, Rossi and Eusebio. Lavishly illustrated, it's a perfect coffee table gift for football fans, but if you're me, you might be left scratching your head about a book that can include Rivaldo and Klinsmann, but not George Best. Okay, he might not have been a 'no. 10', but not everyone in here is either. Then again, Pele picked Nicky Butt as one of his players of the World Cup in 2002, so maybe he was having another off day.

★★★

Non PCWorld – The Internet's Best Funnies – Ben Fry & Alec Jupp (New Holland £4.99)

This book seems to have built-in obsolescence. Do you really need a printed guide to what's funny on the internet when you can just go on the, erm, internet? But the appeal is that it cuts out the dross, the endless browsing, and you don't get any Trojans or spyware installed while browsing dodgy sites. Here be funny pictures, signs, ads, letters and pubic hair styling competitions. It's not all up to snuff, but there's plenty of gold here. Minus one star for the awful cover, however.

The place to be for the world's dirtiest backdoor sex stories. If it feels so good, can it be the wrong hole?

DYKES TURN TO DICK

I'm a married, bisexual babe, and my girlfriend Mary really gets off on fucking me in the marriage bed. Supposedly it happens behind my husband Lenny's back, but we set her up the last time!

I did warn her, even before she dove her face in my cunt, that he could come home at any moment now and catch us. Actually, I knew for sure he would. Next time she came up for air, he was standing, naked and hard, saying could he fuck me now? Stunned into silence, Mary moved aside and lay next to us on the bed as Lenny slammed into my cunt and fucked me hard. She hasn't done much dick since she got into pussy, but I could see the way she was staring at Lenny's.

She bunched three fingers together, jammed them in her hole and frigged herself stroke for stroke with us. Then Lenny pulled out and spunked all over my tits. Mary rolled on top of my sticky body, kissing me hard. But I knew by how her pussy was moving against mine that she was wagging her arse temptingly at Lenny.

He stroked her cheeks, playfully at first, to make sure he'd read her signals right. Then she whimpered as his fingers crept toward her twat, penetrating and then pumping in and out. She was humping on me as he used his other hand to stroke himself hard. Then he assumed the position, cock poised above her slit. She moaned and he pushed in, sliding in and out of her pussy. He loves to fuck me when I've just cum, and I'd got her off twice before he arrived. But I'd told him a little secret about her – she loves it in the arse.

She moaned as he pulled out, only to gasp as his cock slid up her crack, and touched up to her arsehole. She paused a moment, just to relish the anticipation, then let out a big sigh as he eased in. Now she was on all fours, crouched over me, as my husband reamed her bum. I reached a hand down and frigged her clit to get her cumming, knowing her arse would be clenching around Lenny's hard-on. The whole situation was so horny, I felt my own cunt start to throb – all it took was a little finger-stroke to get me there, too.

Mary begged Lenny to jizz inside of her, and he obliged, then held her bum cheeks splayed so I could slip from under her and watch it all ooze out. Typical Mary, next time we spoke she pretended nothing had happened. I just said any time she wanted more, Lenny would be happy to oblige. I don't think it's going to be long before she gets the urge…

Catherine, South Shields

"I could really feel it as he pushed in, sinking deeply into my arse..."

REP-TUM!

This summer, I worked as a holiday rep in a Spanish resort, mainly with the 18-30 crowd of English tourists looking for a bit of sun, sea, sand and sex. As a way of getting away from it all and getting a bit of work experience, it was a fantastic opportunity. It was also a fantastic way to meet a whole procession of guys who were looking for a bit of holiday hanky-panky with no ties. After a

few weeks, I had my moves all worked out and my blonde hair and deep tan made me quite the hit with the men I chose for my fun.

One of the most memorable weeks was spent with a guy from Manchester. He was booked into a double room but turned up alone, which flagged him out as a likely possibility, especially as he was tall, dark and handsome. He was open and chatty on the group orientation and admitted that he'd broken-up with his girlfriend just a couple of weeks before. I offered to do 'anything' he needed to make his stay a pleasant one and I knew from the warm, cheeky smile that we understood each other perfectly. He offered to meet-up for a drink and an evening stroll but we barely got around the block before we found ourselves a dark corner and we were kissing and exploring each other's body. It was a hot and noisy night and his hands were inside my top and on my bare breasts in no time and I could feel his hardening cock pressing into me. I dragged him back to my hotel to a room which, by arrangement of a friendly receptionist, was a discrete distance away from my colleagues' rooms.

However, discretion wasn't exactly at the top of the agenda: With the curtains open and the lights on, I knew that half the resort would be able to see what we were doing, if they cared to look. For some reason, that just added to the thrill. We were naked before we reached the bed and as I crawled to the top of the sheets Chris was on top of me and I felt his hot cock bounce up between my legs. I squealed as he gripped me around the hips and pulled me back but groaned as his cock found its mark and sank into my ready pussy. "Fuck me… fuck me hard."

I heard myself groan and the pounding steadily increased until my whole body was on fire with pleasure. 'There must be at least one person watching us fucking from the hotel opposite,' I thought to myself. Thinking of people watching us took me over the edge and the a huge orgasm rippled through my body, wracking me with intense pleasure from head to toe.

I pulled myself off Chris' cock and positioned him on the bed so that as I mounted him in reverse-cowgirl, I could see my full frontal reflection in the window as well as giving the best possible view to my audience, whether they be real or imaginary. As I stuffed Chris' cock back into my pussy, the view from the reflection was fantastic, like watching a porno on a huge television. My pussy lips were stretching as Chris' meat dipped in and out of my pussy and my tits were bouncing furiously. I imagined guys stroking themselves off whilst watching me through the window, energetically wanking themselves whilst imagining fucking me. I'd never felt so dirty, so wanton and suddenly I wanted to do something I'd only ever done once before: I wanted Chris' cock in my bum.

I slipped his cock out with a satisfying squelch. It was swollen, wet and red, throbbing with sexual potency. I fantasised about watching it disappear into my little bum even as I guided it to my arsehole. It caught in my anus and I spread my thighs wide open for him so I could see the moment of penetration. Without hesitating, he took his cock and pressed it in, my pussy juices providing all the lube he needed. I could really feel it as he pushed in, sinking deeply into my arse. It looked so dirty; I just hoped that my audience knew that he was now in my arse and not my pussy. As if to confirm the situation, I reached down and spread my hairless pussy lips apart for inspection.

My arse was full of his cock as I slowly sank down deeper than I'd ever dared before. The only previous time a cock had been in there it had barely penetrated at all. This time I could see it disappearing inside me and I yearned for it to go all the way. I was loving it as I hit bottom and started to thrust my pelvis up and down, anally impaling myself each time. My entire body started to tremble again and I came again in a huge orgasmic explosion.

As Chris groaned I pulled his cock out and I was treated to the view and the feel of his hot spunk spurting up my body. Great white globs sprayed from his jerking cock, up my stomach and tits. I rubbed it into my glistening skin and then licked my fingers provocatively. I closed the curtains, putting an end to the performance and Chris and I showered and headed back out to the clubs for the night and just in time too as we passed hotel security and heard they were looking for a couple 'engaged in lewd conduct'. Chris and I continued our sexual liaison for the rest of the week that he was there… but we kept the curtains firmly closed.

SCRUFF JUSTICE!

Tell your wife you're watching gash in the attic...

RATINGS: ★ GICKED ★★ DICKED ★★★ KICKED ★★★★ STRICT ★★★★★ LICKED

RILEY STEELE – STRICT MACHINE (DIGITAL PLAYGROUND)

While Celeste films aren't our favourite DP efforts – they're a touch soft-focus and, well, soft – there's no arguing with the cock candy in this effort. Contract girl Riley Steele has got it going on in every way possible, Marie McCray would get it, whatever 'it' is, and Isis Taylor is beyond fit. There's some lightly kinky bondage stuff here, but it's mere lip service to the world of BDSM. The main thing to focus on is really hot lasses getting boinked in the boinkhole. Please note: Manuel Ferrara is a copious ejaculator, so you lose a point for having him shoot his mess on Isis Taylor's stomach – I wanted to see her blinking like a new born foal.

★★★★

EVIL ELEGANCE (HARMONY)

Gazzman – a Scot and therefore with no interest in this year's World Cup – goes all LA in this glossy but goo-strewn effort. Kayney Linn Karter brings her A-list game – there are worse things to stroke over. Mandy Dee's scene is more convincing – it convinced our eyes to water as she got her bum stuffed. Stracy Stone may have a vowel in the wrong place, but is gets a dick in the right one, while Paulina James and Maya Gates do things you wouldn't want to find out they'd done with a previous boyfriend, but you'd be happy to have them do it with you. ★★★★

COUGARS OF BOOBSVILLE (ADAM & EVE)

How do porn stars feel as they graduate from 'teen' films to mainstream porn and then end up in MILF and cougar films? Does it hurt inside? Or does it just mean they get treated more politely and people give up seats for them on porn sets? We'd stand up for Taylor Wane, although we'd have to ask her to excuse the lob-on poking from our trousers she'd see when we did so. She's the main attraction here in this MILF-fest, although we'd carry the shopping for 40-something redhead Janet Mason as well.

WEAR IT'S AT... CLOBBER!

WRITING: DAN GREENPEACE (twitter.com/dangreenpeace)

What to wear, when to wear it, where to wear it. *Club*'s man in the know shares the very latest menswear tips...

Ok, so at the time of you reading this inaugural column dedicated to the finest in men's attire (modelled by women, naturally), England are either World Cup holders or we got knocked out by the Jerry's again in the last sixteen. Still, this fact won't have dented our national pride one iota and you'll be waving your St George Cross proudly until we get another shot at losing another major tournament in desperate fashion again in two years.

Which brings me onto my first featured garment as modeled by the sultry Sasha. Umbro have teamed up with respected artists from around the globe to form a unique World Champions Collection of modified national football strips. As you can see, street artist Ben Eine's take on the English crest is traditional but with an edge that will make you stand out from the crowd. It comes in a limited edition box, including a badge set and booklet to complete this highly collectable package. (At time of press available from Selfridges, 400 Oxford Street, London W1A 1AB £70.00).

Umbro are not the only fashion houses capitalizing on the World Cup frenzy. Street brands Undefeated and Stussy both released limited runs of T-shirts dedicated to football fever. Undefeated's England shirt in particular is a timeless item you could get away with wearing everyday without looking like a hooligan. (Available at *www.undft.com* and *www.hideoutstore.com*

CLOBBER!

Fred Perry is the latest retro-brand that have really figured out how to modernize and keep up with other street labels while maintaining their traditional cool. They've come up with a number of awesome collaborations of late which keep them current but true to their original mission. Last year they teamed up with Ska legends The Specials for a 'Two Tone' collection which saw the famous laurel logo and every aspect of their famous polo shirts get the monochrome treatment. A nice touch considering the group have been wearing Fred's Polo's their whole career. Recent collaborations with Raf Simmons and the aforementioned skateboarding powerhouse Stussy have all made the tennis legend's clothing legacy massively relevant to a new fashion conscious consumer. *www.fredperry.com*

As the days become shorter and we all start getting depressed at having to get up when it's still dark, who better to supply our autumnal layers than UK label Maharishi. If you want classics with a twist and consider a wax jacket from Barbour or pea coat from Reiss a little too obvious then Maha and their sister brand MHI always deliver the staples but go that extra mile in cut and quality materials that will last you years.

Similarly, if it's a stadium jacket or a distinctive T-shirt you're after then their runs are always limited, reducing your chance of seeing a carbon copy down the pub. They always throw some curveball items into their collections but staples like the pictured jeans rarely change in cut from season to season except for their trademark stitching detail usually found on the back pockets. Similarly, the sweatshirts and tees always stand out from the crowd but do come up a little small so go a size up if you're unsure. Visit *www.maharishistore.com* to preview their AW 2010 range. ♣

Life can take a lot out of a man.
The punishments of daily life – late nights, overwork, strain, all take their toll on your system, causing a drop in your performance.
There's nothing really wrong – fatigue, dullness, lack of stamina are just perfectly natural results of everyday existence. But to get the most out of life, you need to be at your peak.
And Blakoe have produced a range of products to help you reach and stay at your peak. Products that give real results – safely and naturally.
Take the remarkable Blakoe Energiser. A simple, safe, medically designed and approved device that taps your body's own resources to heighten your senses and help you reach your full potential.
Better control, longer lasting pleasure, more satisfaction from life. The Energiser has given exciting results to thousands of men of all ages. And it could enhance your body's drive, too, giving you peak performance and restoring that vital confidence in your own abilities.
But strain and stress may not be all. Active men tend to have irregular or infrequent meals. Too many snacks and sandwiches. And your body may well be missing out on some of its essential requirements. Your diet may leave a lot to be desired.
To combat these deficiencies, Blakoe have developed a fully balanced range of vitamins and minerals, diet supplements and health preparations – not synthetic chemical – honest, natural products that your body really needs.
They can help tone up your system and keep your whole body in ideal condition.
Ask yourself if you really think you're in tip top shape. Then send off the coupon today.

Memoirs of an Urban Gorilla/6

When I have fears that I may cease to pee,
Before my tool has filled the steaming drain,
Before white tiled walls, the graffiti
Bold like rich garners on the yellow stain.
When I behold, upon this bright scarred place,
Huge cloudy symbols from my limpid lance;
And feel that I may never lift my face,
There stand I with unmoving stance.
Then when I feel I've stood about an hour,
That nothing more will from my bladder pour,
I shake myself then hide my little flower,
And check my zip before I leave the door.
In this white world, I stand alone, and think,
That only *Gents* have this distinctive stink.

Algonquin N. Keats.—Poet and Catastrophe.

out of the map above Germany. For some reason, known only to early cartographers, this high part of Europe was called 'The Low Countries'. Perhaps the world was upside down then. At any rate Holland produced some of Europe's finest artists: the painters, Jan van Eyck, Jan and Pieter Brueghel, Peter Paul Rubens, Rembrandt van Rijn, and Vincent van Gogh; the composers: Josquin Desprez, Jan Pieterzoon Sweelinck, and, at an arm's length, Ludwig van Beethoven, the famous nude composer of "Wellingtons Sieg, oder Die Schlacht bei Vittoria".

The following fragment of conversation, preserved in the Hague, illustrates just how seriously the Dutch took their cultural life: Hieronymous Bosch: "Look wary, lads–it's t' Brueghel brothers!" Pieter Brueghel: " 'Allo, 'airy, you low Dutch cheese, still painting like 'ell?"

Jan Brueghel: "Just keep yer 'ands where they are, 'airy. If you take yer finger out now the North Sea will come through. t' little 'ole!" Pieter Brueghel: "So keep yer finger in, sailor!"

Hieronymous Bosch: "Only a joke, lads . . . no offence meant, it's just that I'm a bit on the 'eavy side to be standin' on young van Rijn's shoulders for the past four months!"

Pieter Brueghel: "Why look oo it is . . . Rembrandt van Rijn! let's give 'im the old Gouda Treatment!"

Rembrandt van Rijn: "Shades of van Gogh!"

Jan Brueghel: "Trouble wiv you, van Rijn, is that yer just a bit too phlegmatic!" Pieter Brueghel: "Yeah, you wanna blow yer nose. O.K. lad, we'll let yer off this time. How's yer 'Night Watch' goin'?"

Rembrandt van Rijn: "Fine . . . except that me binoculars keep mistin' up!"

And that's only a random sample of the witty repartee which went on in Holland between 1480 and 1669. In 1530 the great Dutch nude philosopher, Erasmus, remarked sagely to his Welsh Dresser, "No, lad, I'll not be takin' the car to England, I'll bicycle like what I allus do!". Some fifty years later, on being appointed Ambassador to Spain, the painter Peter Paul Rubens made this caustic aside: "Well then, if yer not goin' t' take t'car can I borrer it as I don't fancy cyclin' all the way to Madrid!" But so much for Dutch history, let's get on to Miss Holland of 1971. As you'll agree it was a very good year for Miss Hollands. Entries poured in from the seven corners of the kingdom, contestants poured into their swimming costumes, and the judges paved over the contestants. Holland has achieved a reputation of being a flat country and it is now time to explode this myth. As you can see for yourself Holland is full of ups and downs. As they say in Utrecht: "You don't judge a tulip by the straightness of its stalk!" How true, how very true. "Stop all this silliness!" E. Morphine-Syringe (deceased).

1

IT WAS A VERY GOOD YEAR...

...for somewhat scary robot ladies. Volume 2, No. 4 of *Club* weighs in at 40 pence, and in the year the current editor was born is obsessed with 'the sexual rites of the working classes'. Clearly it was put together by a right bunch of Fauntelroys. And the less said about the 'Gaza Strip' photo shoot the better...

2

PEAK PRACTICE

It's good to see that shilling dodgy sexual aids has never gone out of fashion. Fancy some 'peak performance for men – the Blakoe way'? Who doesn't? What causes these problems? Apparently it's 'too many snacks and sandwiches'. I'm blaming my next floppy semi-on on Marks' egg & cress...

3

TIMELESS

Giving yourself a reach-around over most old porn is like trying to crank one out to Maggie Thatcher's still-warm corpse: Do-able, but not much fun. However, Dutch sort Maureen would still get our suds now, and no messing about. Perky boobs, a trimmed snizz, wearing a tie, it's like the last 37 years never happened.

4

SHANKS FOR THE MEMORIES

1973 editorial budgets were clearly more generous than today's. Fake adverts, pictures of random birds up trees, a dreadful Russian satire called *Whore and Piece* – timewarp *Club* has it all. Best of all has to be this piece of scatological verse that makes E.J. Thribb appear to be the poet laureate in comparison. Perhaps opium was the office drug of choice, back in those beige years. ♣

ELLE RAISER!

Straight from the drawing board to your dick...

It doesn't matter how much in love you are, if you turned up to a club with your wife/girlfriend/boyfriend/dog and saw Elle across the room, you'd have thoughts of infidelity.

Who could blame you? An innocent look, a slightly toothy smile, long limbs, boobs spilling out of a tight dress – while the camel may well be a horse designed by committee, Elle is a woman designed by a committee of incredibly horny men, and somehow it has worked out.

Here's the really good news: she's single. Here's the better news: she likes to put out on a first date. The topper? She swallows too. We told you she was designed by men for men although, another fact: she's bi. Yes, Elle is so perfect, that if she didn't exist we'd have to invent her. With our cocks. ♣

ELLE

What our well-placed moles are telling us this month...

Down The Wire

Brutish Behaviour

Fifty-five-year-old Donald Wolfe was nabbed by law enforcers and charged with public drunkenness in Brookville, Pennsylvania, after neighbours spotted him providing – as Wolfe described it – 'mouth-to-mouth resuscitation' to a road-kill possum on Route 36. His heart was in the right place, but his brain wasn't.

The same week, another drunk with a suspiciously similar surname – Paula Wolf, aged 41 – was cuffed by officers in Stevens Point, Wisconsin and charged with striking four random pedestrians with projectiles. In Paula's car, police discovered a blow gun, a slingshot and a pail of rocks. She later explained her behaviour by observing that she 'liked to hear people say 'ouch'…'

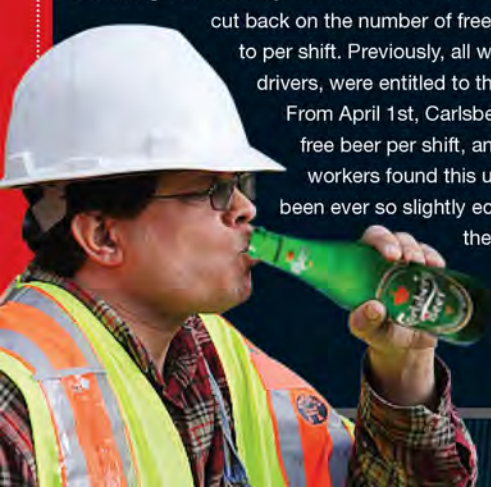
Starey Starey Night

Conceptual artist Susan Collis' latest work of art *Since I Fell for You* has debuted at the Ikon Gallery in Birmingham and been met by a great many sneers. The 'piece', consists of a furniture-free room with pieces of lumber on the floor, a broom propped against a wall, a small set of wooden steps, a dirty overall and a laundry bag. When several disappointed visitors confronted the artist, Susan thrust her nose into the air and commented, "Often a work that looks very careless takes a long time to produce."

On the other side of the pond, another conceptual artist has been literally facing down her detractors. New York City's Museum of Modern Art has been staging a tribute to performance artist Marina Abramovic for her lifetime achievement in making visitors uneasy. The centrepiece of the exhibition is Marina herself, who sits silent and motionless at a table all day in the midst of looping videos depicting her screaming until she loses her voice, while patrons are encouraged to take a seat opposite the artist and stare defiantly right back at her.

Something Rotten About Less Beer In Denmark

Warehouse workers at the Danish brewery in Copenhagen which makes Carlsberg beer recently went on strike following a decision by management to cut back on the number of free beers each worker was entitled to per shift. Previously, all workers, including delivery drivers, were entitled to three gratis beers every day. From April 1st, Carlsberg would only supply one free beer per shift, and then only at lunchtime. The workers found this unacceptable. The strike has been ever so slightly eclipsed in the news, however, by the revelation that the company's delivery drivers were being 'encouraged' to drink while driving.



Blaming It On The Almighty

Minnesotan nutter James Wallace Fall, aged 58, stands accused of marrying his 10-year-old niece. Fall, who insists that he is a 'prophet of God', protests that such marriages are sanctioned by the Bible, which is (says he) packed with accounts of guys with multiple and often adolescent wives. To demonstrate this, he cited Corinthians 6:12 at great length before they got him to sit back down.

Fall 'married' his niece during a summer vacation at Yellowstone National Park in 2001, alternating his husbandly duties nightly between the niece and his 'other wife', her 49-year-old mother, Rosemary Fall. This has been going on for nine years. But now the niece is 19 and she's dialled 911.

The 'other wife' has been charged as well, and police are also looking at James Fall for possible murder and fraud in connection with the death of his brother-in-law, Phillip Johnson, a decade ago.

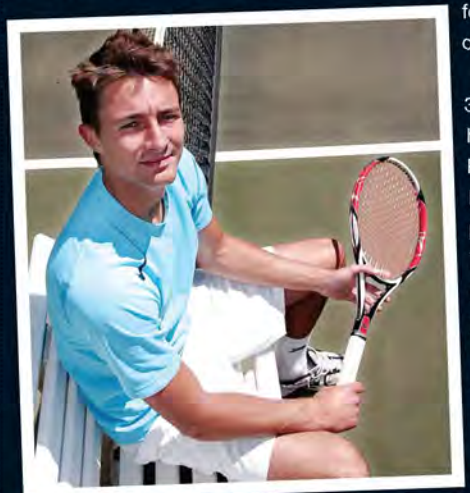
Meanwhile, in Pennsylvania, Adam Disabato, who insists that he is 'the Messiah', has been collared by cops in Pittsburgh in April after driving his automobile into the Poale Zedeck synagogue, occasioning around $30,000 of damage. Disabato, who was uninjured, protested to reporters as he was led away, "I'm not crazy, and I don't hear voices. I just got a feeling sent by God to drive real fast for some reason."

Let us pray they throw the good book at these two and toss the keys away.

He's Rubbish At Tennis – And That's Official

Racket-waving celebrity Robert Dee, humiliated at being dubbed the 'world's worst tennis pro' by *The Daily Telegraph* and other news publications sued the *Telegraph* for libel in the final months of 2009.

After taking testimony this year, however, the judge tossed out the lawsuit, persuaded by Dee's having lost 54 consecutive international tour matches – every one of them in straight sets – that there might be something to be said for the papers' description of him.



Fearing a negative result, 30 other news organizations had already apologised to Robert Dee for disparaging him, and some even paid damages, but the *Telegraph*, having stood its ground and waited for the judge's ruling, was able to keep its hand in its pocket and cheekily entitled its story on the outcome: 'World's Worst Tennis Player Loses Again'. ♣
